

COLORVISION®

BUBBLER WITH SEPARATELY SOLD GLOBRITE® LED LIGHTS

Watch your pool come alive with colorful, moving water.

EXPERIENCE THE VIVID SYMPHONY OF MOVING WATER.

The ColorVision® Bubbler goes from a spectacular display of moving water to a lighted, magical escape with separately sold GloBrite® LED Lights. Whether you're in the mood to relax or entertain, ColorVision Bubblers are the perfect way to showcase and enhance pool features like sun shelves, steps and beach entries. Their low voltage and minimal water flow requirements make them an ideal, energy-efficient addition to pools, fountains, ponds and more. Plus, they add eye-catching style and soothing sound to heighten your senses and elevate your aquatic experience.

GloBrite LED Lights are not included and must be ordered separately.

Appearance of color and white LED light may vary between various models of lights. Appearance and perception of pool lighting may vary depending on a number of factors including, but not limited to, the particular model of light, the location/depth/angle of the light's installation, pool finish/material, pool depth/shape/geometry, ambient light sources, subjective factors and more. For best results when using multiple lights, use all the same model and do not mix multiple models of lights within a single installation.
